

State Radios Store Looted

Burglars Get 17 TV Sets, Radios, Tape Recorders; 18 Thefts, Burglaries

Burglars nearly "cleaned out" State Radio & Television Co., 1936 State street, in a break-in Sunday night as they concentrated on television sets, tape recorders and FM-AM radios valued at several thousand dollars.

Many of the items were Christmas gifts awaiting delivery, according to Louis Pashoff, proprietor, who has yet to give a close estimate of the loss. He said he would be unable to replace the gifts before Christmas.

The loot included a 16-inch portable television set, 19-inch portable television sets, two 21-inch color television sets, one of which was still in a crate, 15 FM-AM radios, one clock radio, two high fidelity tape recorders, one stereo electronic tape recorder, a large amount of items from a will call store room and \$70 from the cash register.

Because of the size of the haul, police believed a large moving van was necessary. The haul was discovered at 12:25 a.m. today by officers patrolling the downtown business district as they spotted an open door.

Entry was gained through a door to the front of the repair department operated by James Vaughn. Police said the door knob was turned and the top of the door was pushed in.

The latch was not fully locked as it was defective, the report added, and there were no pry marks.

Latches to a double-door leading from the repair shop to the store room were then unfastened, and the truck was loaded through the rear door.

Other items, such as transistor radios, were left untouched, Pashoff said.

A total of 18 thefts and burglaries were reported to police authorities since last Thursday.

Gift Thieves At Work Again
The recent series of burglaries continued during the week with the burglary of the J. J. Newberry Co. store, 1337 North street and the theft of several hundreds of dollars worth of merchandise, principally appliances.

Kenneth Miller, store manager, said the burglary occurred between 8:30 p.m. Thursday and 8:30 a.m. Friday, and a variety of items were taken from several different departments.

The coin telephone also was torn off the wall and is missing. Entrance was gained through the bars on a window from the roof into a women employees' lounge.

The burglary apparently happened after the store was closed, police said.

An assortment of items was stolen in a burglary at Zambarino's, 3008 Lake drive, Ponton Beach, which was reported to the Madison county sheriff's office at 9:30 a.m. Sunday.

Taken were 24 half pints of gin, four bottles of rum, four bottles of rum and six half pints of whiskey. The cigarette machine also was broken into and items were stolen by prying the door on the east side of the building.

Three Youths Arrested
Three Granite City youths, aged 15 and under, were arrested Saturday night by St. Louis police in an automobile owned by Donald Brown, 2350 Edison ave.

Salvation Army To Give Yule Baskets Wednesday

The Salvation Army "Tree of Lights" campaign had received donations totaling \$4140 today as volunteers workers prepared to begin packing hundreds of Christmas baskets which will be given to 650 needy families of the Quad-Cities area Wednesday.

Packing of baskets is to begin tonight in the Salvation Army recreation hall at 1834 State street.

Work of preparing baskets will continue through Wednesday and persons who are to receive them may pick them up at the recreation center located Wednesday after 9 a.m. Toys may be received at the Salvation Army headquarters, Nineteenth street and Grand avenue, also on Wednesday.

Distribution of Christmas baskets is financed each year by the Tree of Lights campaign. Quota this year was \$5000. Funds received thus far have turned on lights on the tree in Memorial Park.

Cash donations have been supplemented by large quantities of canned goods and toys obtained in benefit drives conducted by several agencies. The campaign by the League Lodge is expected to produce about 5000 cans of food to go into the baskets.

Large quantities of canned goods and toys were obtained as the result of a drive at the Washington theater, at which toys and food were given as admission.

Seven Hurt at 20th-Madison, Four People Injured on Broadway

Weekend traffic kept police and ambulances busy with 17 persons hurt in Monday's traffic accidents, including a crash involving a truck and a car.

Crashes totaled through early this afternoon totaled 21, seven of them responsible for 17 injuries.

Seven persons were hurt at 7:10 p.m. Saturday in a crash involving the front of a northbound auto of James M. Craner, 18, of 1207 Brooks street, Madison, and the front of the car of Howard M. Jones, who was southbound on Madison avenue and making a left turn onto 20th.

Jones, 45, of 2743 Sunset drive, who was charged with an improper turn, was admitted to St. Elizabeth Hospital with a cerebral concussion and forehead lacerations. He also was admitted with a concussion, right leg abrasions and a forehead laceration.

John Jones, 30, of 20th street, was treated for a forehead laceration. Craner was treated at St. Elizabeth Hospital with a concussion and a laceration. Brenda O'Dell, 15, of 1416 Fourth street, Madison, was admitted with multiple contusions and abrasions to the left elbow, wrist and chest.

Also riding in the Craner car were Donna Dufer, 16, of 200 McCarbrey avenue, left shoulder lacerations and abrasions, and Don Hatfield, 18th Engineers, Army Depot, minor injuries.

John Breyer, 35, of 2048 East 27th street was hurt in a three-car crash involving a truck and a car at 12:30 a.m. Sunday at 2530 Namoki road. The brakes failed on a car driven by Lester Tidgeman, 25, of 1416 Fourth street, Madison, who was driving a 1953 Buick Wildcat. Breyer and Thomas H. Swains, 2833 Douglass drive, were injured.

Also riding in the Craner car were Donna Dufer, 16, of 200 McCarbrey avenue, left shoulder lacerations and abrasions, and Don Hatfield, 18th Engineers, Army Depot, minor injuries.

A native of Granite City and lifelong Mitchell resident, Sgt. Charles W. Weeks, 42, of 12th street, was graduated from Granite City high school in 1936 and entered the Air Force for four years, training at Sheppard Airfield, Texas, and then for two years. After his marriage in 1939, the Weeks resided in St. Louis, Mo., where he was stationed.

He worked for the Dow Metal Products and Mining Corp. in St. Louis, Mo., where he was a member of the Mitchell Presbyterian Church and previously was a member of the local DeMolay.

Venice Ready to Act on Underpass Project Agreement

A joint resolution between the city of Venice and the Illinois state highway department embodying agreements on construction phases of the Broadway underpass project, has been prepared. It will be acted upon in the next meeting of the Venice city council, Dr. John E. Lee, mayor, announced at a regular session Friday night.

Mayor Lee said the resolution will be inspected by city engineers, representatives and the city attorney before it is presented to the council for ratification.

The new joint agreement was drawn following recent meetings between highway representatives and Venice officials. The main differences involved in an earlier resolution covering such items as the location of the street relocation, traffic signal installation and operation and maintenance of ramps and streets to the underpass.

The council's next meeting will be held Friday, Dec. 24, the regular date is New Year's Day.

\$660,000 From State
Final action on the resolution, which will provide for the construction of the underpass, is expected to be completed by the city and state will guarantee the state's contribution of approximately \$660,000 on the underpass project.

The city's cost for the work, which is being carried out in connection with construction of Federal Aid Route 151 through Venice, will be about \$400,000.

In other business Friday night, the Venice council awarded a contract to General Contracting Co., 22nd and Monroe streets, for construction of a 12-foot-wide concrete sidewalk on the west side of the city's main thoroughfare, Fourth and Sixth streets near Broadway. General had the low bid of \$10,000.

The award of the contract was made contingent upon completion of a joint contract with Tri-City Council, which has agreed to assume 40% of the construction cost. The contract also will provide for the installation of a drainage system in the area.

\$1,500,000 Bridge Issue
The council also heard a report of the financial operations of the Venice-owned McKinley Bridge, showing operating income of \$100,000 for the year ended Sept. 30, 1964. The audit was prepared by the Bert and Allison Co. of East St. Louis.

Members of the council were also informed that the officials of the Venice volunteer fire department, including William Meekin, chief, William "Bud" Preston, Thomas Neaton, treasurer, Leo Schank, secretary, and Jay Maurer, trustee, will meet at the city hall on Monday, Dec. 22, for a meeting Jan. 12.

The council announced that annual Christmas trees were to be held Wednesday at 3 p.m. in North Venice at Selb and Calumet streets. The tree will be the Christmas tree on the lawn of the Venice city hall, Fourth street and Broadway.

The tree will be donated by the Baptist Church on Bremen avenue, Kerr Island.

Madison Yule Judging
All Madison homes with lighted Christmas trees will be included in judging sponsored by Madison Rotarians tomorrow night.

Train-Auto Crash
Judith Ann, 12, of East St. Louis, suffered an injury to her left thumb at 10:50 p.m. Thursday, when her car was struck by a C-160 freight car, being switched on the Kerr street tracks in Venice. The auto was damaged extensively and the driver was injured.

Bypass Committee In Ordering Sewer Plant Equipment
The Granite City sewage treatment plant contractor, acting on instructions of Mayor David Moore, has ordered treatment equipment—despite public assurances that the city would not purchase equipment would be considered.

Special Pollution Abatement Committee Chairman Charles W. Moerlein said he learned from the contractor today.

The committee was not consulted on the equipment order although it has worked closely with the issue for some time and has been asked to consider greater economy and efficiency. Moerlein said the committee has been attempting to submit recommendations for longer-lasting parts and more adaptable filters, and will try again at tonight's council meeting.

The committee is urging the council to ask the two equipment bidders to submit more corrosion-resistant materials in five parts of the sewage treatment plant, including the filter beds, which are to be kept in use longer without additional cost to Granite City.

It is also proposing that the city take advantage of a technological breakthrough in treatment processes by utilizing synthetic fiber cloth filter beds instead of stainless steel cloth filters.

MITCHELL CUBS HOLD

COMBINED PACK MEETING
Cub Packs 41 and 141 held a combined meeting Thursday at the Mitchell school gymnasium.

Mr. and Mrs. Ray Bell of Detroit, Mo., were Wednesday evening visitors of Mrs. Lillie Anderson and children, James and Andy, 2017 Circle drive. Part of freshmonts were served and each child present received a Christmas treat.

Each scout brought a can of food.

The food collected, along with \$1 from the pack treasury, was turned over to the Salvation Army for distribution to needy families. The meeting opened with posting of American and pack flags and the pledge of allegiance.

Den One of Pack 141 gave a play, acting out "The Night Before Christmas" under the direction of Mrs. Townsend and narrated by her daughter, Karen.

Mrs. Polly Tindall was introduced as the new den mother for Den Two, Pack 41. Recognition was given to the cub scouts for making the candy sale a success.

Christmas carols were sung by all and a movie, "Supersonic Thunderbirds" was shown.

The meeting was closed with a moment of silent prayer. Recognition was made to the Salvation Army and glasses have been purchased for several residents.

Sewage Plant Project Boosts Building Values

Plans to begin construction of Granite City's new sewage treatment plant were being made today by the Nelson Construction Co. after a building permit for the \$1,259,163 facility was issued by Earl Bloomquist, building inspector.

Bloomquist said approval to begin was received from the state last week, and the firm was instructed by the city to begin even though the city council has yet to determine the type of filter to be used. The engineering firm for the project is Sheppard, Morgan and Schwab of Granite City.

The permit increases new construction for the month up to \$1,336,531 and makes it the first month in several years to top the million mark. October was close with values of \$933,891.

Other permits last week were issued to Hurdley Pontiac to raze a four-family brick flat at 1412-14 Eighteenth street, \$10,000, and to William Henke Jr., 2215 East 24th street, remodel and repair a porch, \$10,000.

CHILDREN AID SENIOR CITIZENS in decorating a Christmas tree of the YMCA lobby during a party. Surrounded by the youngsters, members of the "Y" Kitchen Kapers club, is Mrs. Agnes Butler, a member of the Senior Citizens who serves as an advisor for the young club. Ornaments and decorations are home made, including strung popcorn and cranberries.

Long Lake Firemen Receive New Pumper

A new modern fire pumper, capable of pumping from 300 to 750 gallons of water per minute, has been delivered to the Long Lake Volunteer Fire department at Pontoon Beach and is being readied this week to be put into service.

Jack Harper, chief of the fire department, said the new truck was delivered in a "stripped down" condition and that it will take several days to install the accessory equipment such as fire hose, nozzles, ladders and other firefighting apparatus.

The new fire truck was purchased by the department at a cost of \$16,000 with funds obtained by the sale of land owned by the department adjacent to its fire hall and recreation building in Pontoon Beach. The truck also carries a reserve supply of 750 gallons of water and can be used either with hydrants or in pumping water from wells, cisterns or lakes.

Kitchen Kapers Decorate Senior Citizens' Tree

Little girls, members of the Kitchen Kapers club at the YMCA have decorated the Christmas tree in the "Y" lobby for the "Y" Senior Citizens club.

It is an "old fashioned" tree, and with the exception of lights, nothing was purchased. All of the decorations are homemade. Each girl and some of the Senior Citizens made at least one ornament, and decorations include popcorn and cranberries on strings.

Brightly colored paper was used to make long chains. Included on the tree are decorated cookies and candy and small red and white striped candy canes. Cotton was used for snow, and an angel was placed at the top.

The Kitchen Kapers were assisted by Mrs. Agnes Butler, a club advisor, and a Senior Citizen. Assisting was Mrs. Vera Kirkpatrick of the YMCA staff. Refreshments were served to the members and to Mr. and Mrs. Herman Jones, William Butler and Mrs. Anna Hunkler, other members of the "Y" Senior Citizens. The group also sang Christmas carols.

Madison Lions Cancel Next Two Meetings

Due to holiday commitments, the Madison Lions Club elected to cancel their next two regular meetings and resume weekly sessions once again at 6:30 p.m. on Jan. 7.

The decision was announced by President Edward R. Dubish during a dinner meeting Thursday evening at the Sportsmen's Club, Madison. Twenty-four members were present.

Lee Abernathy discussed reinforcing and erecting five metal Lions signs which the club plans to install at entrances to the city prior to Christmas.

Tentative locations for the blue and gold signs, inscribed with the Lions emblem, are south of the city limits on Highway 203, at the eastern approach on Ed. wardville road and one at either end of Madison avenue. The fifth sign will be located outside the meeting place at Tenth and Iowa streets.

A brick also damaged a vent window frame on the parked car of Charles Bradley.

Orphans Seek Return Of Lost Wallet, \$17

Three children who were orphaned early in November by a fatal shooting are hoping for only one Christmas present this week—the return of a red billfold containing \$17.85 which they lost Saturday while Christmas shopping.

The youngsters—Arvula Williams, 15, Gracefield Williams, 14, and Dianne Barrell, 8—lost the billfold while in the vicinity of the W. T. Grant store in North Village shopping center. The billfold contains no identification, but has several photographs in it. The money had been set to them by a relative and was their sole Christmas shopping funds.

The children were orphaned when their mother, Mrs. Geneva Darnell, was shot to death Nov. 4 by her estranged husband, Morris Darnell, who then killed himself. The children are living with Mrs. Edith Tretores at 2025 Fourth street.

GIRL SCOUT LEADERS

HOLD YULETIDE PARTY

Girl Scout leaders of Neighborhood Two met Wednesday morning at the community center. A short business meeting was conducted by the chairman, Mrs. Wilma Hancock.

A Christmas party was held with the room and tables decorated in a seasonal theme. Games were played, with prizes awarded. Mrs. Ruby Medley also received an award.

Christmas gifts were exchanged and a pot luck luncheon was enjoyed by 25 members.

Chairman for the party was Mrs. Mary Kouschhoff, assisted by Mrs. Mildred Browning and Mrs. Ann Fowler.

CHRISTMAS MUSICAL AT COMMUNITY CENTER

The Boys' Club and Girls' Club sponsored by the Lincoln Place community center will present a Christmas musical show tomorrow at 8 p.m. in the center, 822 Niedringhaus avenue.

No admission will be charged for the show and the public is being invited to attend. The production is under the direction of Miss Gloria Bielecki and John Birdsong.

Pantomime numbers to be featured include: "All I Want for Christmas is My Two Front Teeth," by Wayne Canada; "I Saw Mommy Kissing Santa Claus," by Rosa Jaine; "Eighteen Cents," by Beth Ann Dinoff, assisted by Ricky and Richie Serrano, Toby Lopez, Bobby Galvan, Michael Grace, and Wayne Canada.

The Macedonian version of "Silent Night," sung by Janet

Gruber, Beth Ann Dinoff and Christy Christich. "Blue Christmas," pantomime by Lynn Loachoff, "Drummer Boy" presented in a free exercise number with a gymnastic routine by Vicky Valencia and Rosa Jaine.

"Jingle Bell Rock," danced by Bobby Galvan, Christy Christich, Janet Gruber, Michael Gracey, Connie Evans, Richie and Ricky Serrano and Lisa Garcia. And the entire cast will sing "Rudolph the Red Nosed Reindeer," "O Little Town of Bethlehem" and "Jingle Bells."

The first will feature John Birdsong, who will read a famous letter, "Is There a Santa Claus," with a background of Christmas carols.

The Webelos den of Cub Pack 19 met Wednesday evening at the home of the leader, Oliver Gilmore, 2749 Roosevelt avenue.

The meeting was opened with the pledge to the flag. Christmas projects were worked on and completed.

Games were played and refreshments were enjoyed by Robert Gilmore, Terry Mauer, Michael Whitford, Jerry Canfield and James E. Uley.

Den Five of Cub Pack 19 met Wednesday evening at the home of its den mother, Mrs. Gerry Peters, 2704 Chicago street. The cubs opened with the pledge of allegiance.

Christmas projects were worked on and tree ornaments were made. The cubs closed with

the living circle. Those present were Richard Barr, Dennis Bernick, Lynn Hufford, Allan Johnson, Richard Woods and Billy Brannan.

Cub scouts of Den One, Pack 19, met with their den mother, Mrs. Rena Birdsong, 2708 Cayuga street, Wednesday.

The cubs opened with a flag ceremony. They wrapped gifts they had made for their parents. The group practiced plays to be performed at the park meeting to be held tomorrow night at Washington school.

Refreshments were served by Mrs. Birdsong to David McKeel, Elton Oden, Randy Parker, Gary Peters, Ronald Castille and Mark Goodson.

Pay Hikes for Depot, Scott Personnel Set

Pay increases averaging seven cents an hour have been announced for wage board employees by the Departments of the Army and Air Force, according to the office of Congressman Melvin Price in Washington, D.C.

The revised schedule of rates for employees in Army and Air Force installations also changed night shift differentials from eight to 12 cents an hour for the second shift and from 12 to 16 cents an hour for the third shift.

The increases will be for 702 employees at the Granite City Army Depot and 807 at Scott Air Force Base, Price said, and will start on the first pay period after Tuesday, Dec. 22.

JCs to Give Party for Children in Hospital

The Granite City Jaycees will give their annual Christmas party for children in St. Elizabeth Hospital at 7 p.m. tomorrow, it was announced by Paul Morris, president, and Michael Day, chairman of the party.

Day said two strollers for use in the children's ward will be presented to the hospital during the festivities. Other arrangements for the event include a visit by Santa Claus, who will distribute Christmas treats, a cartoon show and refreshments.

The Jaycees also are planning a "hoses' night" program to be held during National Jaycees Week, Jan. 17-23, with Fred Barr as chairman.

A pancake brunch is to be held Jan. 31 at the YMCA with the proceeds to be used for a recently-purchased bus which the Jaycees will present to the YMCA's Senior Citizens' Club during January.

General Steel Yule Dinner Set Wednesday

The Christmas dinner given traditionally each holiday season by General Steel Industries, Inc. to its employees will be served Wednesday to approximately 3000 employees at the plant, a spokesman said today.

A turkey dinner will be served in the plant cafeteria to all workers on all three shifts, beginning with the 2 a.m. lunch hour of the Tuesday night-Wednesday morning shift. The second serving will be at 10 a.m. to the Wednesday morning shift, and the third at 8:30 p.m. for workers of the late Wednesday shift.

Venice Roars Back to Stun St. Paul 73-68 in Championship Contest

For a while—too long a while—Saturday night, coach Bill Ohlendorf of the Venice high school basketball team had the very uncomfortable feeling that a statement he made Friday morning might become the unhappy truth.

"If we play like that Saturday night," he said then, "they'll blow us out of the gym." He was referring to Thursday's night 68-66 overtime victory over the Livingston Eagles in the Highland St. Paul Invitational tournament and the upcoming championship game against the host Vikings.

He called the semifinal triumph "Our poorest game of the season—we were lucky to win." And Ohlendorf became a little uneasy when his Red Devils fell behind the Vikings 26-7 early in the second quarter of the title game before putting on a sensational rally to win 73-68.

"I didn't know what to think," he said afterwards of St. Paul's brilliant start. Actually, however, he must have had some very constructive thoughts—especially in the direction of defending the Vikings' hot-headed Steve Moss, who fired in six field goals—mostly long shot shots—in the first quarter.

After Ohlendorf revised his defensive plans, Moss had only

Behind 26-7, Red Devils Zip by Vikings and Up Record to 8-1

two fielders in each of the remaining three periods as he finished with 29 points. And tall Rich Hoffman, whose 20 points helped St. Paul defeat Venice in the second game of the season, was held to three fielders and 11 points.

Balanced Scoring Attack

The Red Devils, who had only two field goals in the first quarter, roared to victory on the strength of a well-balanced scoring assault. Rich Hoffman had 19, Percy Dillon 17, Rich Essington 15 and Howard Black 14 points. Denny Hill and Jerome McLaughlin chipped in four each.

After making only nine of 33 field goal attempts in the first half, the Devils fired in 20 for 32 in the second half to finish with 44-26. They grabbed off 37 rebounds, including 18 by Jackson.

At one point in the first quarter, the Vikings hit seven straight markers, a 15-3 edge and finished the period with a 24-7 lead. The Devils perked up in the second quarter, out-

scoring the host team 22-14 to close the score to 38-29. In the first two and a half minutes of the third quarter, the Red Devils made 12 points to the Vikings' two and went ahead 41-40. After that, they were never behind. Both Venice and St. Paul now have 8-1 records.

Defeat Livingston Again

In the semifinal Thursday, the Devils were facing Livingston's Eagles—the same team they defeated for the MCM Game 1000 tournament championship. This time, the Eagles led up to the final moments of the game.

Venice turned on an effective press with Livingston ahead 57-47 and suddenly it was tied 58-58. With 22 seconds left in regulation time, the score was tied 62-62 and the Eagles had the ball and decided to play for one shot. They got it with seconds left, but Evan Booth missed a lay-up and the contest went into overtime.

Again the Eagles went ahead (66-63) but Essington made

a free throw and Dillon rebounded the second toss and scored to tie the game. With 49 seconds left, Venice stole the ball and played for one shot successful as Essington passed to Dillon under the basket with two seconds left.

Three Red Devils, Jackson, Essington and Dillon, were named to the 11-man all-tournament squad. Also on the team were Hoffman, Moss and Dwight Frey of St. Paul, Ron Rami and Booth of Livingston, Ricky Organ of Ashley, Greg Lay of Herrick, and Cornell Bailey of Lovely. The Devils take a break over the holidays, with their next game Jan. 3 at Breese.

Trojans Defeated, Look to Tournament

Turning to the East St. Louis Holiday basketball tournament, the Trojans of Madison high school hope to rebound from their 72-63 loss Friday night to Triad's Knights at St. Jacob.

After the defeat, the Trojans fourth in seven games, coach Kert McCannahan was worried about his team's defense. His successful teams of the past have relied on a tough press to befuddle opponents but the effectiveness of this season's version has been spotty.

So McCannahan will be spending this week's practice sessions in trying to correct flaws in the press. An especially effective defense will be needed in Madison's journey opener against La Grange on Saturday night, a team that likes to run and shoot.

"They play a fast game like we do," McCannahan said of the 4-1 Tigers. "But if our press works, I think we'll be all right." The team met in the third game of the eight-team meet, at 7 p.m. next Monday.

Lack of accuracy from the free throw was a big drawback Friday night. Madison made only 17 of 33 shots to Triad's 24 of 31. And the Knights' half-court press puzzled the Trojans early in the game, with the hosts taking a 32-23 halftime lead.

Madison's "Big Two," Dale Turner and Paul Lusk, again carried the scoring load with 24 and 21 respectively. Only two other Trojans, Mike DeYong and Bob Fuhs, have been in double figures this season and they were held in check by the Knights, now 5-1.

GC PARK CAGE DATA

Two close games featured Thursday night's action in the Class A League at Coolidge Junior high school.

The Has-Beens edged Jim-Mo Claims 53-51 as Pat Schuman scored 16 points, Jack Buene 11 and Charlie Papp 10. Jim Claims 15 and Gary Wilbur's nine led Jim-Mo.

Frank McReis scored 19 while Dan Dean and Harry Williams made 17 each as the DFLA nipped the Farmers 37-33. Terry Kofahl and Rich Frizell topped the Farmers with 17 and 11 points.

St. Elizabeth's Tops Sacred Heart 46-23

St. Elizabeth's held its basketball record to 5-2 Thursday night with a 46-23 triumph over Sacred Heart at the Sunnyside school gym.

Leading the Royals' victory were Dick Koepfer with 14 points and Rich Logan with 12. Doug Mudd scored 17 for the losing Falcons. St. Elizabeth's stands 4-1 in the Chouteau Valley Conference, trailing St. Peter & Paul of Collinsville (4-0).

In the B-team contest, Sacred Heart won 31-26 behind Rich Schumann's nine points. Tom Loman's eight paced St. Elizabeth's.

Mistakes Fatal—Warriors Lose Two

"Too many turnovers,"

With that concise statement, coach Andy Sullivan of the Granite City high school coaches explained two weekend losses—76-55 to Edwardsville Friday night and 80-59 to Wood River Saturday.

In each of the Southwest Conference contests played here, the Fighting Warriors made 22 turnovers—a term used to describe mistakes (bad passes, violations, fumbles) which turn the ball over to the opposing team.

Sullivan figures that to win, a team should not have over six or seven—not more than 10 at the most—turnovers. The Warriors were also held from the field, hitting 25 of 55 (45%) and 22 of 65 (34%) on Friday and Saturday nights respectively.

Edwardsville hit 27 of 47 (57%) and Wood River hooped 30 of 52 (58%). The two setbacks lowered the Warriors' record to 1-5.

Both contests saw the Warriors fall far behind at the outset. They trailed the Edwardsville Tigers 22-0 after one quarter and the Oilers 21-0 at the same point the next night.

They outscored the Tigers 24-16 in the second quarter to close the halftime gap to three (38-25) but stayed behind through the third and fourth quarters. With two minutes to go, GCHS was behind by just five and had the ball, but a pass mistimed and the last chance shot lost.

After three quarters, the Oilers led 63-33 and could afford to let the Warriors outscore them 26-17 in the last eight minutes. Vince Debeve had 19 points

against Edwardsville and Jeff Lohrer, a letterman just recovered from an arm injury, hooped 14. Against Wood River, Joe Grobuski, Larry Dillard and Terry Moore, who missed Friday's game with an eye injury, all had 11 points.

In the junior varsity games, Granite City lost 77-62 to Edwardsville and 69-39 to Wood River despite the efforts of sharp shooting guard Mike Pritchard, who had 32 and 30 points in the two games.

Next action for the Warriors is at 10 p.m. next Monday when they face Bloomington in the opening round of the Pontiac Holiday tournament.

3 Dual Winners In Soccer Loop

Season and playoff championships in all three divisions of the YMCA Soccer League were won by the same teams as a result of weekend games at Coolidge Junior high school.

In the boys' division, the Midege-Division playoffs with a 9-2 thrashing of Lincoln Place Saturday night. The Spartans led by halftime 31-23. Pacing the Spartans were Jim Scott with 20 points, Howard Foster with 14 and John Watson with 10. The winning margin came on free throws as the Alton team outscored Madison in field goals, 21-20.

The MJHS seventh grade team held Central scoresless in the third quarter en route to a 39-10 victory. Top scorers were Ted Sawyer (19), Ron Britt (8) and Art Cook (5). The team has a 3-5 record.

GC Stays Unbeaten With Victory in Quad

Staying on the winning track, Granite City high school wrestlers took the Ritenour (Mo.) Quadrangular meet Saturday by scoring 67 points to Ritenour's 47. Pattonville's 41 and Maplewood's 29.

The Fighting Warriors, under coach Bill "Red" Schmitt, are now undefeated in two quads and five dual meets this season. They face their toughest test at 7 p.m. Wednesday when they visit defending Missouri state champion Melville.

Melville, located at 3200 LeMay Ferry road, just north of Lindbergh Blvd. in St. Louis county, has a string of 40 consecutive dual meet victories over Missouri teams. Only teams to defeat Melville since the streak started were Granite City and Waukegan from Illinois.

The Warriors won six individual championships at Ritenour with Steve Cavanaugh, Rich Bleske, Rich Grizzard, Tom Mikosky, Gary Forshee and John Evenden emerging as winners. Cavanaugh, wrestling up one weight class at 120 pounds, posted the season's fastest pin (27 minutes).

GC Champions: 120—Steve Cavanaugh pinned Jim Matcalf 9:27, and defeated Guy Jackson 10:15. 135—Rich Bleske pinned Wallace Becker 8:58, and defeated Wadsworth Daily 8:40. 150—Rich Grizzard defeated Dan Ruff 8:54, and pinned Tom Whithead 3:58. 165—Tom Mikosky pinned Tim McIntyre 8:36, and defeated Rich Ruff 8:36. 180—Gary Forshee pinned Art McKay 9:37, and Mike Martin 4:55. Heavyweight—John Evenden pinned Walter Mueller 8:51, and Dan Hennes 9:15. GC Runners-up: 95—Joe Martinez defeated Gene Dauter 9:12, and lost to Skip Watkins 8:54. 112—Rich Hadshire defeated Bill Yanker 11:50, and lost to Fore Caspalsch 8:50. 136—Jim Valicoff defeated Gary Craig 9:12, and lost to Jay Beaton 8:54. 150—Beaton defeated Earl P. 8:11, and lost to Ray Zech 8:57.

GC Third-place: 154—Mike Andia lost to Louis Vaughn 8:42, and defeated Gary Holshouser 8:30. GC Fourth-place: 103—Mike Reynolds lost to Jerry Conners 8:42, and Mike Overland 8:76 in overtime.

Granite City PRESS-RECORD
Page 16 Mon., Dec. 21, 1964

Prather Rallies To Edge Roxana

A tight full-court press baffled Roxana in the second half Thursday night and enabled the Prather Chiefs to take a 38-36 basketball decision here.

Roxana jumped to a 24-13 lead at halftime, but the Chiefs rallied and with 1:30 left in the game the score was tied 36-36.

Coach Bob Miller told his boys to play for 1 shot and the strategy worked. Rodger Coakley sinking a basket with 20 seconds left. The visitors got off one shot but missed it before the final buzzer.

Don Rains and Coakley wound up with 12 points each, with Dennis LaMacchia scoring nine. Others who scored were Rith Timmons and Dan Jenkins with two each and Terry Metcalf one.

The Chiefs now hold undisputed possession of third place with a 3-2 record in the Madison County Junior High School Conference trailing Webster of Collinsville and Edwardsville. They are 3-4 overall.

Roxana, paced by 12 points each by Don Bruggeman and Jim Durham, tripped Prather in the eighth quarter, 41-32. Scoring for Prather were Dennis McGee (8), Larry Pirtle (7), Roger Laws (7), Nelson Heider (6) and Roger Heide (4). The local eighth graders also stand 3-4.

Coolidge Cools, Upset Bid Falls

They stayed close down to the final two minutes but then the Coolidge Braves faltered and the visiting Webster Cardinals of Collinsville took a 55-46 basketball win Thursday night.

The decision ended the first round of the Madison County Junior High School Conference race with Webster (5-0) on top and Coolidge (0-5) on the bottom.

Continuing to show improvement, the Braves gave Webster a battle, but they lost 22-19 after one quarter, 32-30 at the half and 46-42 after three periods.

With about two minutes left, the Braves trailed by just two (48-46) and had the ball. But they went cold and were held scoreless while the Cards rammed in seven points to win.

Scoring for Coolidge were Gary Rutenour (15), Ron Shepard (12), Mike Dieckert (9), Norman Hall (6) and Jeff Jones (4). Tom Parker, although frequently double-teamed, scored 30 points and Fred Blumberg hit 11 for Webster.

In the eighth grade battle, Coolidge won easily, 61-33. The coach Braves, improving their record to 4-2, led 21-16 at the half but then outscored the visitors 27-10 in the third quarter. Gary Simpson's 26 and Gary Livingston's 10 paced Coolidge.

Venice Still Looking	
For First Cage Triumph	
Venice was defeated for the eighth time without a win Thursday night as host Bethalto scored a 31-17 eighth grade basketball victory. Fessor Gray had eight points for the Braves. Bethalto also won the Brevard contest 41-21. Joe Miller's eight and Torry Gardner's six were high for Venice. The locals met St. Mark's, also of Venice, at 6:30 p.m. Wednesday in the public school's gymnasium.	

Florissant Downs' Prather Wrestlers

Florissant, Mo., dealt Prather junior high school wrestlers their first loss of the season here Friday afternoon, taking a 30-16 decision.

Winners for Prather were Paul Hoffman, 127 pounds, and Jack Cochran, 180, who scored pins, and Bill Gibson, 133, and Ernie Schwendeman, 138, who won by decisions.

Losing on falls were Gary Cross (103), Larry Johnson (134) and Mike Ralpis (165). Decisions were John Martinez (95), Chuck Pengilio (112), Dempsey Cross (120), Jim Blaylock (145) and heavyweight Charles Bladnick.

Coach Walt Whitaker's team now towns a 5-1 record.

SOCIETY

Holiday Music
For Wilson PTA

The December meeting of the Wilson PTA was held Thursday evening in the school gymnasium.

The meeting was called to order by President Jack Nelson and a flag ceremony was presented by Den Four of Cub Pack 124, supervised by Mrs. Beverly Singleton. The PTA prayer was read by Mr. Joseph Moutria.

Mrs. Marion Meyer presented a corsage to Mrs. Constance Jenne, music teacher.

Directed by Mrs. Jenne, sixth grade students presented a program, "Christmas Gift For a Princess."

Also part of the program were selections by a rhythm band composed of second grade pupils, conducted by Miss Lyon. Christmas carols were sung by the audience.

Retiring custodian Everett Bull was presented with a cigarette lighter in appreciation of his years of service to the school.

The room attendance banner was awarded to sixth grade teacher William Breidenbach. Refreshments were served by the second grade parents.

CHRISTMAS PROGRAM FOR RUTH CIRCLE
The Ruth Circle of Central Christian Church met Thursday at the home of Mrs. Clarence Montgomery, 2318 Hodges avenue.

The meeting was opened with prayer by the chairman, Mrs. Jesse Tapp. A Christmas play presented was "Christmas Problem."

Mrs. Edwards concluded the program with a Spanish custom (dances) and said "The Lord's Prayer in Spanish."

A candlelight luncheon was served by the hostess. The table was appointed in Christmas decor, with a centerpiece bedecked with red and white candles.

The remainder of the afternoon was spent preparing boxes of cookies, candy and fruit for shut-ins.

Those present were Mesdames Robert Schumacher, Tapp, Clarence Montgomery, Stanley Edwards and Mertie Jago.

STEMMERS ENTERTAIN AT DINNER PARTY
Mr. and Mrs. Joseph Stemmer, 611 Fleming street, entertained employees of Mr. Joseph's Hair Fashions and their husbands at a dinner party in their home Saturday evening.

Present were Mr. and Mrs. Jerry Gray, Mr. and Mrs. James Graham, Mrs. Ted Kotoff, and Mr. and Mrs. Jerry Ely and sons.

A meeting of Cub Pack 99 was held Friday evening at Central Christian Church, with 75 persons present. Don Two was host group, and coffee and Christmas cookies were served by Mrs. Morris Christwell, Mr. and Mrs. Jack Solberger and Mrs. Nora Kuntz.

Opening ceremony and presentation of flags were given by Don Two and there was a Christmas play by Don Three, followed by singing of carols and distribution of gifts to all of the club and small children present.

Awards were made to Don Two, Morris Christwell Jr., with badge, gold arrow and five silver arrows; Don Three, John McMillon, Robert Pine and Don One, Robert registration cards to Craig Montgomery and John Justin and a gold arrow to Dennis Ridgeway. Forest Volkmar, Tim McCarthy and David Ledbetter received one-year pins.

Two Fighting Arrests

John Pellazzari, 20, of 2115 Washington avenue, and Fred William Kingless, 40, of 2471 Iowa street, Madison, were arrested by Madison police at 4:20 a.m. Saturday for fighting near the Bee Hive tavern, Madison.

Pellazzari was released on \$25 bond to appear at 10:30 a.m. Jan. 19, and Kingless was held pending release on bond.

Two Cars Damaged

Two southbound autos received damage at 3:35 p.m. Friday in a collision at State street and Feilung road. Drivers were Sherlock Holmes, 2942 Grand avenue, and Cleo K. Gauen, 3230 Colgate place. The Gauen car had made a left turn at the rear of the high school.

Mrs. Whyers, 69, Dies; Operated C & El Hotel

Mrs. Lillie Fern Whyers, 4917 Maryville road, succumbed at 4:30 p.m. Saturday in St. Elizabeth Hospital at the age of 69. A patient there four months, she had been in failing health three years.

Born in Staunton, Ill., Mrs. Whyers resided here 63 years and operated the Chicago & Eastern Illinois hotel and restaurant for railroad employees at Mitchell from 1926 until 1945. She was a member of the Mitchell Presbyterian Church and the Church Auxiliary.

Her husband, Joseph R. Whyers, is a retired New York Central Railroad car repairman. Her brother, Robert C. Weeks, Mitchell, is the father of Air National Guard Sgt. Robert E. Weeks, who was killed Thursday night in a Texas airplane crash.

Survivors besides her husband and brother are three daughters, Mrs. Frank (Eleanor) Hackett, Hartford, and Mrs. Andrew (Sylvia) Starnes and Mrs. Donald (Evelyn) Williams, both of Granite City; two sons, Chester E. Whyers and Richard Whyers, both of Mitchell; and five grandchildren.

Funeral arrangements are given in the obituary column.

Mrs. Dorothy Currie Succumbs at Hospital

Mrs. Dorothy Catherine Currie, 65, of 2801 Herbert street died at 1:20 a.m. Sunday at St. Elizabeth Hospital, where she had been a patient seven weeks.

A native of Marine City, Mich., Mrs. Currie moved here from Monroe, Mich., 15 years ago. She was a member of the Cooks and Waitresses union.

She is survived by her husband, Alexander, four daughters, Mrs. Bada (Thelma) Mitchell, Miss Jeanette Currie and Mrs. Walter (Jewell) Decker, all of Granite City; and Mrs. James (Caroline) Cathers, Louisville, Ky.; a brother, George Laves, Roseville, Mich.; four grandchildren; and one great-grandchild.

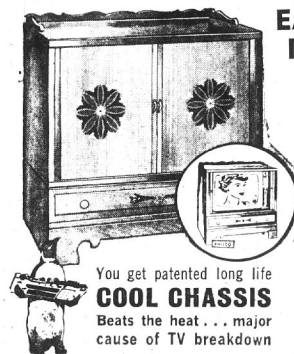

Funeral arrangements are given in the obituary column.

Forced Off Street

Dean M. Funek, Belleville, reported that his eastbound car was damaged at 7 p.m. Friday at 20th street and Lee avenue when an auto turning left forced him into the curb and against a pipe on the wall of the Granite City Steel Co. plant. The stolen driver continued east on 20th.

State Hospital May Provide Land For County Dog Pound

Possible solution of Madison county's dog control problems that stem from the closing of the county dog pound and inability to find another site was seen today in a report that part of the farm at the Aiton State Hospital will be considered by the state as a site for a county dog pound.

The county has been without a dog pound since it was unable to renew its lease on the old site on Route 139 northwest of Edwardsville, and an effort to locate near the Edwardsville city limits was blocked by petitioners who objected to location of the pound near their property.

Joseph Troeckler, Chouteau township supervisor and a member of the five-man rabies control committee of the county board, reported to the county board in regular session that the county is up against "a big problem without a dog pound." He said the program has been successful and hundreds of stray dogs were rounded up by the county dogcatchers.

The county board approved a motion during the meeting to close the county courthouse at Edwardsville on Christmas eve and New Year's eve, giving county employees an extended holiday on both weekends.

Accepted the resignation of E. J. Wade, a county highway department employee for 33 years who plans to retire Jan. 1.

Reappointed Edson Smith as curator of the county museum at a salary of \$2400 a year, and Mrs. Louise Ahrens as assistant curator at \$1320 per year.

Nursing Home Administrator
Appointed Mrs. Elizabeth Aches of Edwardsville as administrator of the county nursing home to fulfill new state requirements. The salary was set at \$1800 per year, plus a \$150 annual travel allowance.

Established a 45-mile-per-hour speed limit on Maryville road in Chouteau township at the request of Joseph Troeckler, township supervisor.

Awarded a \$114 contract to the Fred Stevens Co. of Granite City to paint the gable windows of the courthouse.

Rejected bids on a tape recorder for the circuit court as the type of recorder did not meet the approval of the judges. The low bid of \$736 was submitted by State Radio & Television Co. of Granite City.

Purchased three trucks for the county highway department from the Dave Mallet Co. of Collinsville on low bids totaling \$4895.

Granite City PRESS-RECORD
Mon., Dec. 21, 1964 Page 25

Cold Weather Causes Water Line Breaks

Temperatures that plunged to a reading of 2 degrees late Thursday night and early Friday morning caused breaks in water service lines in two locations in Granite City.

Worst of the two breaks was at 25th street and Madison avenue, where a broken line partially flooded the intersection, quickly freezing into an ice pack that extended along the curbing to Twenty-fourth street. At one point along the curbing, all four wheels of a parked truck were engulfed in ice.

The other ruptured line was at Nineteenth and State streets where escaping water froze into mounds of ice along the north-east corner and a section of the curbing.

Workers of the East St. Louis & Interurban Water Co. worked in freezing temperatures to repair the breaks Friday morning. Joseph Mills, manager of the Granite City office of the water company, pointed out that the breaks were not in the mains, but in service lines extending from the mains to buildings.

"This is something we always expect in this kind of weather and it is not uncommon," Mills said.

City street department crews were sent to the two locations to clear away the ice. Police also were on the scenes early Friday morning to direct rush-hour traffic around the ice.

Three trade-ins were included in the specifications. Purchased a snow plow for \$1545 and a cab for a caterpillar and end loader for \$745 from the John Fabrick Co. as the only supplier in this area.

School Store Expansions In Area: Fluoridation Approved

Schools, stores, industries and other segments of the Quad-Cities continued to make news as the first half of 1964 drew to a close with a "leap year" torrent of fine weddings.

The busy preceding month, May, had seen Granite City High School, Harvey St. K-8 school, accept a similar post in Davenport, Ia., being succeeded by Russell D. Johnson, Voters approved a 40-cent educational fund tax rate boost and construction bonds totaling \$2,390,000 for a new junior high, new grade school and Nidderhous and high school additions.

Work was started to add nine classrooms to Prather junior high, five to Mitchell school and four to Wilson school, using a new school fund. Teachers were granted pay boosts totaling \$35,000 over the next two years, plus various fringe benefits.

Groundbreaking took place for the new Namooki Village shopping center.

Granite City aldermen approved water fluoridation, following similar action by Venice and Madison city councils several years earlier, but Belleville continued to block fluoridation of the area served by the St. Louis and Interurban Water Co.

New Park, Expanded Plants

Updating of Venice city ordinances was started, the Granite City park district installed playground equipment on its new 20-acre park and 750 persons joined the Tri-Cities Community Center Association.

Improvements were made to an already outstanding law library at the circuit court offices in Granite City, and the community honored Miss Mary Blackburn with a banquet on her retirement after 45 years serving to the Granite City school system.

Work without an organized and heavily-financed industrial development program, Madison county continued on a traffic underpass in St. Louis city population, and only 10% of the people in the metropolitan area — accounted for over 36% of manufacturing and capital expenditures.

Namooki road widening preparations continued. The Press-Record survey showed that local industries are staying a step ahead of changing military requirements.

Madison city officials scheduled a \$100,000 street improvement program, and Belleville Hospital bought and began modernizing a new building for use as a medical center, meetings continued on a traffic underpass in Venice and five destroyed \$25,000 worth of auto tires in Clinton, Adams Tire Co., 2236 Madison avenue.

Lease For Treatment Plant

Annual Chamber of Commerce membership solicitation was successful, and the government approved a 30-year lease for Granite City sewage treatment plant.

THE SPARK OF PEAKS

REV. C. M. O'GUIN

Trinity Tabernacle

Incidental events, connected with the birth of Christ, saw the star, the wise men, singing of angels, announcement to the shepherds, Herod's jealous rage, Mary and the Babe, each would make a moving story.

But here it is necessary to omit their discussion and go to the heart and center of Christ's birth.

Christmas Prophecy

It is a fulfillment of prophecy, for Matt. 1:21 says that "which was spoken by the prophet." How else could the prophet have spoken the story of the virgin-born Son of God? The prediction of His birth was made 700 years before it was actually fulfilled.

The place of his birth: In Micah 5:2, the prophet put his finger on the very province in Israel, although it was one of the smallest of 12 in the Holy Land, territory, namely Judah, and at that province he put his finger on one small village, Bethlehem, he said, "There shall be a Messiah born."

Had the prophet been guessing he would have named Jerusalem as the birthplace, because out of 21 kings and rulers Israel produced, 20 had come from the

Santa-Please Don't Lose Weight

By MRS. BONNIE FULLER

Life's lessons begin early but disillusionment can happen at any age. Perhaps the greatest disillusionment is a religious action but, since my three teenagers flatly refuse to go see Santa Claus, I feel it is my duty that I still make the expedition.

I regret to tell you that things are not as they should be with Santa this year.

Arriving at the store, I hurried to Santa's corner. Patiently, he was listening to my child's requests. He inquired about their

holly city and only one had come from Judah. How amazingly accurate the prophet was.

His name: The prophet Isaiah in 7:14, 700 years before His birth, said, "Behold a virgin shall conceive and bear a son, and shall call His name Immanuel." The prophet singles out, among all the dimness of Israel, the one to channel the Redeemer of Israel and mankind.

Meaning of Name

His name, said the angel, shall be called Jesus, for He shall save His people from their sins. Matt. 1:21.

When a child is born, a name is given. In America, the name of a child is a legal requirement, but to the Hebrew mind it was much more. It was a matter of deep concern. Something important was put into it.

The name was to reflect, in some formation, of some thing about himself. The name "Jesus" was associated with the strong and mighty deliverers of Israel — men whom God had used in the crucial hours of his history.

The name "Jesus" picked up the faith and hope that flowed through the generations of the past right up to Bethlehem's manger.

conduct and made no promises. Between every three children, he threw his head back and let out a hearty, "Ho-Ho-Ho!" The line of children, the visiting mothers grew longer and the older became less frequent.

"Come on, Son," sighed Mom. "Let's go home."

Note to all department store Santa Claus: A simple child with a man much easier cured than disillusionment. Also please, dear Santa, when the kids and I come in, please make all to see you those days all year and then he

Granite City's "Pocketbooks And Treatment Plant Service Hinge On Council Decision"

Because of the cost and the long number of years involved, Granite City citizens and officials are rallying to support a budget amendment in the proposed city sewage treatment plant.

It is imperative to the welfare of Granite City that all parties put aside secondary considerations, give precedence to their community's future and take two key steps:

1. Ask the two treatment equipment bidders to submit competitive prices on providing long-lasting and more corrosion-resistant materials in the key parts of the machinery—drum decks and heads, filtrate piping, filter valves, tank lining and filter agitators and end panels.

2. Take advantage of a major technological breakthrough in treatment processes by utilizing synthetic fiber belt filters instead of stainless steel coil filters. The synthetic fiber belt filters are more economical and, equally important, the variety of screening so important in adjusting to the particular type of local sewage, regardless of how it may change through the years.

Thorough analysis by the Special Pollution Abatement Committee has been supported in its entirety by unimpeachable authorities familiar with every aspect of sewage treatment needs. Further, the synthetic fiber belt filters are rated as "outstanding" and preferable to "any other type now available." A local difficulty, alignment of the belt, was solved years ago.

Treatment plant preparations in Granite City have been long and complex, but the changes proposed involve no major delay and offer substantial cost reduction.

When lower cost to each local family can be combined with much better service and more adaptable and longer-lasting treatment facilities, there can be no doubt about the wisdom of the plan. Each council member owes it to his constituents and himself to approve tonight's recommendation of the Special Pollution Abatement Committee.

Part of the Fibervault grade school campus was swapped with the park district in return for a portion of the park. The park was used as a new grade school site. W. Ashley Gray Jr. was elected president and Charles P. White, head board chairman of General Steel Industries.

Namooki township obtained a \$150,000 federal grant to plan a sanitary sewer and sewage treatment plant project.

Police Dept. University

Madison County State studied a man who had shot up a tavern and Granite City Rotarians gave two dogs to the Granite City police department. Excise tax returns were urged and later promised.

Part of the committee schools such as Southern Illinois University in terms of reduced property taxes. The committee, as well as cited in the report of the new Illinois Board of Education, the committee on construction at the new campus was not scheduled as rapidly as indicated by the probable enrollment.

Top priority was given to construction of the riverfront road through the new work of the Quad-Cities. Tax bills were stalled so long by St. Clair county officials that local bills finally were prepared on the basis of the year-old East Side Local District tax rate.

And efforts were made to avoid loss of federal highway funds after July 1, 1965, through the state's highway planning organization.

Bluff's Rock Face

Visitor Point, Grave Names

At the cave's entrance numerous mounted names and names have disappeared, perhaps removed when the site was prepared for use in filming the movie "How to Succeed in Business Without Really Trying."

While some painted names were still visible, others had disappeared, others were scratched out. In fact, the removal of the paint revealed the original names of the cave.

Since no register of visitors was kept and only the most meager accounts of their exploits were made then it might be of interest to glean some bits of information from other sources. Such random and fragmentary entries can be pieced together.

Those more or less poetically inclined often are heard to remark as they leave the Park entrance, "O' Yell take the low road and I'll take the low road." It generally ends with the visitor departing and the "low road" and returning over the high road or the reverse.

Along the low road, the flooding river has from time to time changed away some of its sand and has exposed the grotesque formations of sandstone.

Company Ownership Is A Potential Major Financial Problem To GC School System

Appellate Court certification of a Granite City man as owner of the Coolidge junior high school campus poses a potentially severe financial problem for the school district.

If further appeal attempts fail, the cost of a second land condemnation would be added to the initial payment made in 1953 and could be substantially higher. Result might be a monetary squeeze on a school system already faced with new construction, renovation of some of the older schools, extensive alterations to conform to a new state school fire safety code and spiraling salary and operating costs.

Specific plans have not yet been developed, but it appears such a judgment might result in a new bond issue or accelerated use of the tax rate increase authorized by voters last spring.

In view of these prospects, taxpayers are hopeful that the judges deciding whether to permit a new appeal will consider additional aspects of the complex legal issue along with those cited in last week's verdict.

If we could forget our troubles as easily as our blessings, we would live better.

Press-Record Bigger—And, We Hope, Better—Than Ever Before

An 80-page issue was produced in September 1962 in observance of the 150th anniversary of Madison county, but last Thursday's issue also marked a milestone. It was the first 36-page non-tabloid issue prepared by the Press-Record in its regular publishing operation; part of the 80-page paper had been assembled in cooperation with the Alton and Edwardsville newspapers.

Part of the 80-page paper once were rarities for the Press-Record, but they have become more or less routine. A 32-page issue followed and now the latest peak-reflecting constant efforts by the entire staff to provide a newspaper of the best possible quality and quantity for Quad-Cityans. The public's 98% readership remains a high compliment and a spur to continued improvement.

Cross streets carefully to avoid that rundown feeling.

Another Link To National Firms

In addition to our home-based manufacturing firms of substantial size, the Quad-Cities are blessed by direct links to a growing number of nationwide business enterprises. Latest example is the Borden Co., scheduled to acquire the Smith-Douglass plant on Route 162 this month.

Still pondering unfinished business on our pre-Christmas errands list, we have realized with a shock that—extra stretching—there are only four shopping days left.

Genius, as an explosive power, beats gunpowder all hollow:

Dr. SIMS says... SAFEGUARD YOUR HEALTH

A PUBLIC SERVICE OF THE ILLINOIS STATE MEDICAL SOCIETY

After the "vaccination" is completed, an exhaust fan blows out the vaccine-filled air and replaces it with fresh air.

Although this technique was originated a few years ago by the Russians to immunize against a fever condition called bacillus, it was perfected for the first time this year at the University of Illinois.

According to Doctors Roy Rosenthal and Alton H. Knebel, the university, vapor vaccination might soon work for the entire gamut of childhood immunizations: Adian, diptheria, tetanus, whooping cough, mumps, measles and polio.

In addition to being painful, this method can be employed in school classrooms or in playrooms to eliminate altogether the traumatic experience of a visit to the doctor's office.

Dr. Rosenthal has declared, "Aside from this new, painless method to Mom and Dad, both doctors pointed out these medical advantages of the aerosol immunization method:

1. No severe pain and stiffness of the arm as frequently occurs with the needle injections for diphtheria, whooping cough and tetanus.

2. No more vaccination scars.

3. Reduced likelihood of sensitivity reactions—such as fainting and shock—from the injection of foreign proteins contained in the vaccines.

The aerosol immunization method provides any advantages over the new oral vaccine.

Dr. Rosenthal, "but there is an added advantage for Junior—no unpleasant after-taste."

Robert W. Poarch Dies In Hospital at Age 88

Robert W. Poarch, 88, of 3012 Belmont street, died in St. Elizabeth's Hospital at 9:55 A.M. Friday after an illness of one week.

He had been a patient in the hospital since last Wednesday due to a kidney infection.

Mr. Poarch had been a resident of the Belmont area for 33 years, moving here from St. Louis, Mo. He had been retired since 1955 after working as a steamfitter at the Ford Motor Co. plant in East St. Louis.

He is survived by his wife, Mrs. Poarch, and two sons, Robert and Lesley P. Poarch, both of Granite City; seven grandchildren and eight great-grandchildren.

Services were held at 2 p.m. Monday at the home of Mrs. Poarch. Burial was in the Mt. Carmel cemetery.

News From The Files Of The GRANITE CITY PRESS-RECORD

December 22, 1914

It's an ill wind that blows nobody good, and it's an ill fall of steel and hail, combined with freezing weather, that brings no joy to anyone.

For two days, the Tri-Cities have struggled along icy pavement. The roads have slipped and slid, and automobile drivers have rectified their lessons repeatedly when they encountered the icy, yesterday and today.

Conditions are still continuing tomorrow and possibly longer. Although there are few persons in the Tri-Cities who have escaped a hard fall, there have been no serious accidents reported. Hundreds of persons have slipped, covered and regained their equilibrium only to fall again.

The real spirit of the event was brought to the youngsters, as usual, get the best of everything. They are everywhere all over streets that have not seen a similar innovation in years. Laddie could put his paw on the door, beside the door, his way to the door, being careful that mother did not spy upon the innocent and carpet, and strike out merrily from the porch.

Everything out of cover was coated—steps, sidewalks, streets, alleys, open fields, back yards. A splendid scene of chaos and spikes for shoes.

The unemployed of Madison were given free soup for the first time Sunday as the result of the movement among a number of businessmen to relieve distressed conditions. Previous to the opening of the soup house, notices were published reminding all undesirable and beggars to "beat it" out of the city or go to jail. As a result, those who

were served were really deservingly and not professional beggars.

Soup of a high grade was made, various business concerns contributing to the pot. The soup house will be continued. A similar plan was suggested by Police Chief White of Granite City this week, when the chief and his would-be assistants in the work. Members of the Granite City fire department also agreed to help with the soup and provide the feed.

As many as 54 shepherds have been housed overnight in the Tri-Cities, and officials in charge feel it is a shame to send the men out the following morning hungry.

The Granite City Moose lodge has received a fine large moose head which is now on display at the Granite City Moose lodge. The head was shot by the Freshman McNary building.

Patients at St. Elizabeth's Hospital will have occasion to enjoy Christmas, although unable to be in their homes. Santa Claus will appear in the afternoon of Christmas Day and will exchange gifts among the patients.

Mr. and Mrs. Walter Barry of Granite City are leaving to spend the holidays with Mr. Barry's parents at Martin's Ferry, O.

A large cargo of dynamite is marooned on a sand bar, a half-mile above the Granite City. The cargo is expected to be removed in a few days.

The cargo was being transported to the Chair of Rocks to be used in the construction of the debris of the steamer Majestic, which foundered here three last summer.

THURSDAY, DECEMBER 21, 1939

Ben Schermer, chairman of the board of directors of the Granite City Savings Bank and prominent businessman here, has been honored by Gov. Henry Horner with appointment to the Illinois Development Council, it was learned today.

The council was created by the Illinois legislature with \$200,000 appropriated for its use in advertising and promoting Illinois industrially, recreationally and agriculturally. None of the council members will be paid salaries. Among other things, the council will give some attention to the processing of Illinois coal as a smokes fuel.

The Granite City high school wrestling team won its match with Normandy high school of Dec. 22 at Madison high school last night.

The Granite City Optimist Club today entertained 15 Junior Optimists and 10 adults at an annual Christmas party. An address was given by Robert Finch, the son of a minister; now president of the St. Louis Cardinals.

Other guests were Jack Niemeyer, president of the Granite City Optimist Club, and Archie Moore, chairman of the boys' work council of the Granite City Optimist Club.

Mickey Murphy and Joe Testerman gave a four-round boxing exhibition with the local boys. Leo Miller wrestled with Joe Consiglio, with Prof. Bob English as referee. Young Miller was a loser in wrestling and received a special gift from the club.

Besides a large number of oranges, the present was given a sweater-shirt with the Optimist title inscribed across the front of the garment.

Mrs. Roy Mitchell and Mrs. Frank Hackelbach of Mitchell were co-hostesses at a Christmas party given in honor of the boys' work council of the Granite City Optimist Club at the home of Mrs. Mitchell. Those present were

Victor Dameron, Don Strode, Clifford and Richard Evers, metrus Russell, Al Mueller Jr., Harold Karandich and Louis Kacalek are among the local boys who have returned from Westminster College at Fulton, Mo., for the Christmas and New Year vacation.

The Third Baptist Church Missionary Society met at the church for a Christmas program. Mrs. Booth Carrington was in charge of the study and devotional service.

Mrs. M. Wilson was lesson for the Christmas service. The "World" was the title of a pageant in which Mrs. Vernon Lamar, Mrs. Carol Bright and Mrs. Robert Green took part. With Mrs. John Casey at the piano. Sixteen were present.

Drunk Drivers Major Traffic Accident Factor

With the approach of the holiday season this weekend and the New Year's celebration the following week, Quad-City police officials warned today against the "lethal combination of drinking and driving" which they said can only "cause disaster on the streets and highways."

In a warning statement, police officials said that "drinking drivers are a known contributing factor in more than 10% of all fatal accidents in Illinois last year." Studies in other states, however, have shown, where blood samples were taken of all drivers and pedestrians killed in traffic accidents, that more than 60% of those killed had some degree of blood alcohol.

"A driver does not have to be drunk to be under the influence of alcohol," the statement noted. "A small amount of alcohol is enough to impair reaction time, causing mistakes in judgment behind the wheel."

"One mistake can take the life of an innocent person," the statement said.

"Factors which combine to produce the deadly effect of alcohol-gasoline intoxication can include: are: higher driving speeds of today. The National Safety Council has stated that where a driver becomes involved in an accident, the death potential goes up 10% for each additional mile of speed above 50 miles per hour; the longer stopping distances due to snow or ice-covered pavements; and the longer hours of darkness in winter weather which reduces visibility—an important factor in any driver's performance."

The effect of alcohol as it enters the blood stream, the state-

ment continued, is to first depress the area of the higher functions of the brain, including judgment, social restraint and self-control; second, the motor function, reaction time and vision; and third, balance, coordination and sensory perception.

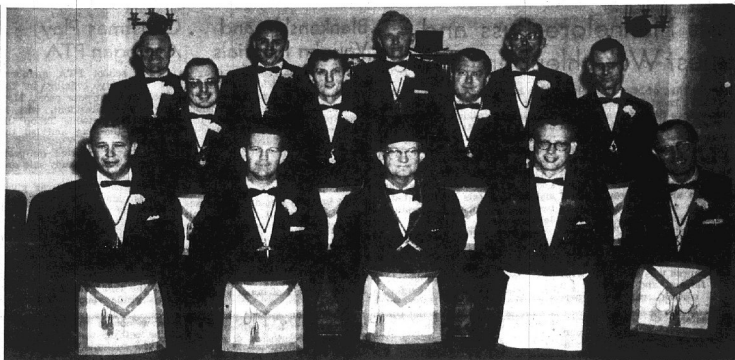

The statement noted that the criminal charge is driving while "under the influence of intoxicating beverages."

Under the influence means that, due to drinking alcohol or use of narcotics, a person has lost some of the clearness of mind and self control that he would otherwise possess, the officials pointed out.

"One drink can place a driver 'under the influence,'" they warned.

At the same time officials repeated previous warnings that preparation of cars for winter driving is one of the greatest contributions to driving safety that every motorist can make.

Among the more important steps a motorist should be certain that heater-defroster is capable of keeping the windshield clear of ice and interior fogging; be certain both headlights and directional signals are functioning effectively; have brakes adjusted, reined if necessary, and be sure brake linings are free of grease; tune up the engine to assure fast starting and help avoid stalling; check battery at frequent intervals to guarantee its efficiency; inspect the muffler, correcting any defect or replacing it if necessary; install and use seat belts—good in all types of weather and especially valuable under winter driving conditions.

Professor at SWIU Reviews Advancement by Red China

PROF. RAY HUANG

A former major in the Chinese Nationalist Army, who grew up in the province of Hunan, says the Asiatic neighbors of Red China were probably happy when she detonated a nuclear device.

"The other countries of Asia have a certain identification with the Chinese," said Ray Huang, who now teaches history at Southern Illinois University's Alton Center. "It's based largely on the fact that they are all dark-skinned people."

"I know it's irrational, but, with China achieving a nuclear explosion, the other Asians felt that we can now do what the white man can't."

The slightly built Huang (5'2-1/2, 135 pounds), whose military career took him to assignments in India, Burma, Japan, Indochina, Korea, and Formosa, noted that some of the countries will be fearless nonetheless of Red China's new technological advance.

How long it will take her to acquire a delivery system for her nuclear power is difficult to estimate, Huang said, due to lack of information about China's industrial capacity. But she doesn't have the handicaps of some of her neighbors.

Improve Education Red China has linguistic uniformity, a rapidly improving level of education, and the country has no social, ethnic, or religious controversies, such as that which has rocked Vietnam and many other countries. Internal revolt against the government seems unlikely, largely because the Chinese "have been accustomed to monolithic indoctrination for centuries."

In 1958, the Chinese People's Republic said that, in addition to educating children, the nation had taught 50 million adults to read and write, Huang recalled, and the goal is 100% literacy by 1970.

"An educated population has a better chance of creating an atmosphere for change," said Huang, who joined SWIU's Social Sciences Division in September. "May we hope that in 10 years the Chinese leaders will become less ruthless and the people will lose some of their revolutionary fanaticism."

But it will be a long while, in Huang's opinion, before such fundamental problems in China as population growth, sanitation and transportation can be solved. They will continue to drain off any fruit of economic growth for many years to come.

Huang joined the Chinese Nationalist Army in 1940 to fight against the Japanese and remained in service for 12 years. He was graduated from the U. S. Army Command and Staff College at Fort Leavenworth, returning home as an instructor for a special officer's class at the Chinese National Defense Ministry.

He was attached to the Chinese embassy in Tokyo from 1949 until 1952, when he came to the U. S. again, to enroll at the University of Michigan. He earned bachelor's, master's and doctor's degrees there in history.

Huang's military experience led to publication of a book on "The Second Burma Campaign" in 1946.

Jammed Agenda For GC Council

A jam-packed agenda faces Granite City aldermen this evening with a continuing backlog of unfinished business from the Dec. 7 and previous meetings and new items to be considered. The meeting in the city hall starts at 8.

Among the new items is a letter to be received from Napeok township requesting a connection with city sewers for the proposed sewer system in the township. The clerk's office has not yet received the request.

Other items pending are: A recommendation to seek bids from two firms on additional specifications for filter equipment for the city's sewage treatment plant; a recommendation to invest of the \$1,244,000 received from the sale of the \$1,225,000 revenue bond issue for the treatment plant.

An ordinance outlining duties of a \$100-a-month assistant city attorney; an amendment to the liquor control law to set Sunday closing hours from 2 a.m. until noon.

A contract for a \$6000 to \$9,000 study of paint stain causes, liability insurance, a sick leave policy for city employees and a further report on the proposed project with the levee district to widen the St. Clair avenue ditch bridge and have a protected sidewalk.

The Finance committee is to decide in advance of tonight's meeting on the legality of a \$4,000 authorized engineering bill submitted two weeks ago by David Johnston and Associates. Also still pending is the appointment of an engineer to the \$8,000-a-year post.

The second alternative actually doesn't cost you a thing—because, if you don't insulate, you are paying for it anyway in high fuel bills.

Discuss Hospital Use In Nursing Studies

Mrs. Mary Liston of the National League for Nursing Council on Psychiatric and Mental Health Nursing, Illinois Department of Mental Health officials and officers of Southern Illinois University met Thursday and Friday at the Alton State hospital in the second of preliminary talks exploring the possibility of using the hospital for training nursing students attending the Quad-Cities-Edwardsville and East St. Louis campuses of SWIU.

Mrs. Louise A. Meyer, RN, chief of nursing education at Springfield, Ill., was coordinator of the session. Mrs. Margaret T. Shea, chairman of the nursing department of the East St. Louis branch, and several members of

her staff, conferred on behalf of the university. Representing the hospital was Dr. Endre Komlos, assistant superintendent, representing Dr. Abraham Simon, who was at Chicago attending a superintendent's council meeting.

First discussion on the subject was held last April. Under the arrangements being discussed, students would use the hospital's clinical facilities to supplement their classroom training. Instruction would be furnished by the university to minimize involvement of personnel. The schooling would lead to a bachelor of science degree in nursing. Students currently go to an institution in Missouri for their training.

Miss Hannelore Buss and Ernest W. Kohlenberger Wed

The wedding of Miss Hannelore Buss and Ernest W. Kohlenberger took place Saturday afternoon at Peace Lutheran Church on Stratford lane.

The bride, a daughter of Mr. and Mrs. Hans Buss of Frankfurt, Germany, came to the United States two and one-half years ago and has been making her home with her brothers-in-law and sister, Mr. and Mrs. Dragun Modric, 2341 O'Hare avenue. Mr. Kohlenberger's parents are Mr. and Mrs. Ernest L. Kohlenberger of East Caroland.

The church was decorated with white flowers and greenery for the 4 o'clock ceremony performed by the Rev. Carl L. Johnson, pastor.

The bride was given in marriage by Vernon Roney, a relative. She wore a gown of Chantilly lace with the train long tapered sleeves, a fitted bodice trimmed with sequins, a rounded neckline and a train. Her veil was held in place with a crown of sequins and pearls and she carried white orchids and lilies of the valley.

The matron of honor, Mrs. Marianne Roney, a sister of the bride, was in turquoise blue chiffon with a white collar and a white belt. The bridesmaid, Mrs. Deborah Ladyman, Church in Madison, The ceremony was performed at 4 o'clock by the Rev. Engelbert Barbara Roney, were dressed

Jasudowicz and Anderson Nuptials

Miss Shirley Anderson, daughter of Chester Anderson, 1415 North drive, and Richard Jasudowicz, son of Nicholas Jasudowicz, 1815 Fifth street, Madison, were married Friday morning at St. Mary's Catholic Church in Madison. The ceremony was performed at 10 o'clock by the Rev. Engelbert Barbara Roney, were dressed

The couple was attended by Mrs. Pat Besserman and David Jasudowicz, a brother of the bridegroom.

The former Miss Anderson wore a white satin chignon, and lace dress and a corsage of white carnations. Mrs. Besserman was in turquoise blue chiffon with a white collar and a white belt.

A senior at the Granite City high school, the bride will remain here until she graduates in January when she will join her husband who is serving with the U.S. Navy.

Blankenship and Vaughn Nuptials

Miss Deanna Vaughn, daughter of Mr. and Mrs. William Vaughn, 1565 Second street, Madison, and Warren Blankenship, whose parents live in Owensburg, Ind., were married Thursday afternoon at the First Methodist Church in Owensburg.

Mrs. Laws reported on profits from a recent candy sale and awarded prizes to the winners. First prize of \$15 was given to Miss Mary June Barker's third grade room; second prize to Mrs. Betty Day's second grade; and third prize to Mrs. Gladys Page's third grade room.

The program for the evening was under the direction of Miss Paula Finkelshtein, music teacher at the two schools. Fifth and sixth grade pupils staged a Christmas play. George Sedab welcomed the visitors.

The setting was a classroom, with the students dressed in outdoor clothing to signify the time as winter.

The teacher, played by Winnona Flaugher, asked pupils Marcella King, Paul Solomon, Charles Bassetty and Robert Gibson their thoughts on Christmas. As each student answered, carols befitting the answers were sung by the remaining students.

A group of girls, Connie Richardson, Elizabeth Jeff, Carol Jones, sang several Christmas songs.

Patricia Cooper, accompanied by the chorus, sang "God Rest Ye, Merry Gentlemen." Rebecca Miller played a flute solo, "O Come All Ye Faithful."

Santa Claus was Virgil Keeten, who entered to the tune of "Santa Claus is Coming to Town." Michael Robertson portrayed the boy in "All I Want for Christmas is My True Love." The boys' singing group was made up of Wesley Bauer, Daniel Buge, Anne Arney, Jerry and Terry Connor and Stanley Lindsey.

Approximately 450 attendants and refreshments were served by the second grade mothers.

It was announced that a Lydia Circle of the Nameski Methodist Church Thursday evening.

Elaborate Christmas decorations were used. The Christmas devotion was given by Rev. Francis Daniel and the ladies planned to donate homemade cookies to the Methodist Settlement House in East St. Louis.

Those present to whom refreshments were served were Mrs. Dorothy Wallace, Mrs. Michael Whitaker, Mrs. Fay Best, Mrs. Edna Potter, Mrs. Violet Miller, Mrs. Mayme West, Mrs. Mary Bailey, Mrs. Bertha Cummings, Mrs. Lucille Russell, Mrs. Betty Milwood, Mrs. Marie Long, Mrs. Betty Weston, Mrs. Luan Briner and Mrs. Vergie Daniel.

1st Yule Party For New Parish

The first Christmas party for the new parish of St. Margaret Mary was held for the women of the parish Thursday evening in the school along St. Clair avenue. The hostesses were Mrs. JoAnn Ripper, Mrs. Fran Lorenz, Miss Mildred Nagel and Mrs. Carol Hauer, and over 75 persons were present.

During a brief business meeting, officers were elected. They are Mrs. Anna Hauer, president; Mrs. Norma Breidenbach, vice-president; and Mrs. Bernadine Hauer, secretary.

A fireplace was used in the decorations, and stockings were hung for the school Sisters, each January.

A gift for the pastor, Rev. A. J. Schwenhagen. The group also presented a gift of crystal for the convent.

Singing of carols was led by Sister Mary Lida.

Lydia Circle Donates Cookies

Mrs. Byron Briner presented the Lydia Circle of the Nameski Methodist Church Thursday evening.

Elaborate Christmas decorations were used. The Christmas devotion was given by Rev. Francis Daniel and the ladies planned to donate homemade cookies to the Methodist Settlement House in East St. Louis.

Those present to whom refreshments were served were Mrs. Dorothy Wallace, Mrs. Michael Whitaker, Mrs. Fay Best, Mrs. Edna Potter, Mrs. Violet Miller, Mrs. Mayme West, Mrs. Mary Bailey, Mrs. Bertha Cummings, Mrs. Lucille Russell, Mrs. Betty Milwood, Mrs. Marie Long, Mrs. Betty Weston, Mrs. Luan Briner and Mrs. Vergie Daniel.

Christmas Play At Logan PTA

Logan school PTA members met Thursday evening in the school multi-purpose room and presented a Christmas play.

Mrs. Laws reported on profits from a recent candy sale and awarded prizes to the winners. First prize of \$15 was given to Miss Mary June Barker's third grade room; second prize to Mrs. Betty Day's second grade; and third prize to Mrs. Gladys Page's third grade room.

The program for the evening was under the direction of Miss Paula Finkelshtein, music teacher at the two schools. Fifth and sixth grade pupils staged a Christmas play. George Sedab welcomed the visitors.

The setting was a classroom, with the students dressed in outdoor clothing to signify the time as winter.

The teacher, played by Winnona Flaugher, asked pupils Marcella King, Paul Solomon, Charles Bassetty and Robert Gibson their thoughts on Christmas. As each student answered, carols befitting the answers were sung by the remaining students.

A group of girls, Connie Richardson, Elizabeth Jeff, Carol Jones, sang several Christmas songs.

Patricia Cooper, accompanied by the chorus, sang "God Rest Ye, Merry Gentlemen." Rebecca Miller played a flute solo, "O Come All Ye Faithful."

Santa Claus was Virgil Keeten, who entered to the tune of "Santa Claus is Coming to Town." Michael Robertson portrayed the boy in "All I Want for Christmas is My True Love." The boys' singing group was made up of Wesley Bauer, Daniel Buge, Anne Arney, Jerry and Terry Connor and Stanley Lindsey.

Approximately 450 attendants and refreshments were served by the second grade mothers.

It was announced that a Lydia Circle of the Nameski Methodist Church Thursday evening.

Elaborate Christmas decorations were used. The Christmas devotion was given by Rev. Francis Daniel and the ladies planned to donate homemade cookies to the Methodist Settlement House in East St. Louis.

HOLIDAY SETTING FOR CLUB MEETING
Mrs. Sharon Hillmer, 1828 Ferguson avenue, was hostess to the Double Dozen club in her home on Thursday evening. Red and green decorated the home in keeping with the holiday season.

Members of the club exchanged gifts and played games. Mrs. Mary Lou Ault received a prize from a table appointed in red with a large Christmas centerpiece. Lighted red candles were at each end.

Others present included Mesdames Sandy Harper, Patti Twelmin, Ruth Smith, Carol Hendricks, Gerri Varrady and Sharon Kline.

The next meeting will be in the home of Mrs. Smith, 1741 Courtenay, Jan. 14.

DINNER PARTY NIGHT OWLS CLUB

The Night Owls club held a Christmas dinner party at Tony's restaurant Thursday evening last.

Following dinner, the members went to the home of Mrs. Eva Shepard, 1616 Mitchell avenue, for cards. Each received a prize and a gift exchange was held.

Christmas decorations were used throughout the house, and the table centerpiece was an arrangement of angels dancing around a mistle tree. Lighted red and green candles were placed on either side.

The hostess served a dessert course to Mesdames Myrtle Hickman, Juanita Rosenberg, Evelyn Reinhardt, Toni Strain, Marie Leine, Hazel Rollins and Mary Baumbarger.

The next meeting is scheduled for Jan. 7 in the home of Mrs. Rosenberg.

AFTERNOON TEA CHRISTMAS THEME

The afternoon circle of the Nameski Presbyterian Church met Thursday in the home of Mrs. Erna Tucker, 2109 Richmond avenue.

The meeting was opened by the circle study, "Be What You Are." Missionary names for the day were read by Mrs. Betty Flinn, who offered prayer.

A dessert luncheon was served.

SWIU Profs to Publish Quarterly for Scholars

A 96-page literary journal will be published quarterly by Southwestern Illinois University, beginning in February, for scholars and critics of English language and literature.

Prof. Nicholas Joost, formerly an associate and acting editor of Poetry magazine and consulting editor for Pantheon Books, and the Bollingen Series, will edit the new journal, which will be called "Papers on English Language and Literature."

The quarterly publication will be a joint undertaking of SWIU's Carbondale campus department of English and the Quad-Cities-Edwardsville campus English faculty. Joost is at Edwardsville, and his associate editor, Robert Partlow, is an associate professor at Carbondale.

Five advisory board members selected from the two campuses include Harry T. Moore, well-known writer, critic, and author on D. H. Lawrence, and T. W. Baldwin, a Shakespearean scholar and author. Other members of FELL's advisory board are John F. McDermott, research professor in the Humanities Division at Edwardsville; Robert Fane, chairman of the English department at Carbondale; and Gordon R. Wood, chairman of the English faculty at Edwardsville.

Joost said, however, that editorial contributions to FELL would be welcome from English scholars and writers everywhere. The first issue, for example, will contain a paper on the English novel "Evelina" by Henry Fielding, and a paper on the English novel "Evelina" by Henry Fielding.

Although the publication will be \$1.50 per copy or \$3 for yearly subscriptions, free copies relating to letters, letters, journals, notebooks, and similar documents.

The magazine was designed by

Wheaton College, Mass.; and another by Alonzo Myers, New York University emeritus professor, dealing with F. Scott Fitzgerald's service in the Army. A brochure announcing the new journal says it will contain "papers devoted to literary history, analysis, statistics," and it will also publish "original materials relating to letters—letters, journals, notebooks, and similar documents."

Although the publication will be \$1.50 per copy or \$3 for yearly subscriptions, free copies relating to letters, letters, journals, notebooks, and similar documents.

Fight 6 Fires in Frigid Weather

Six fires, two of them resulting in damage to dwellings and contents, were extinguished by Granite City firemen in sub-freezing temperatures Friday afternoon and Saturday morning.

The series of calls began at 1:30 p.m. Friday when a grass fire started in the rear yard at the home of Ernest Karandjef, 2607 Cleveland Blvd.

At 2:30 p.m. firemen at the Nameoki station were called to 46 Villa drive to put out another grass fire resulting in no loss.

West Granite firemen answered a call to the home of Mrs. Ruth Littlejohn, 1744 Spruce street, where there was no fire but a large amount of smoke from a fallen furnace pipe.

Faulty Outlet Causes \$1000 Loss at Home

A short circuit in an electrical outlet at the home of Denzel Nugent, 1701 Courtney Blvd., caused damage to the building and \$500 to contents, it was reported at 4 p.m. Thursday.

It was believed the fire burned itself out because of a lack of oxygen. No one was home at the time, and neighbors called Granite City firemen when they saw smoke pouring out of the house. A wall clock was stopped at 9:03.

There was no damage in three other fires Thursday. One was at the home of Jerry Baugus, 2265 Benton street, where firemen were summoned because of an overheated oil heater. The other was burning trash in the ash pit behind Littlejohns. Cleaners, 2209 Madison avenue, at 4:45 p.m. The third was a weed fire at 2505 Grand avenue at 5:30 p.m.

Mitchell Garage Man Files Suit in Accident

Albert Paul, Mitchell service station operator, has filed suit for \$1037 against Everett Shemwell of Granite City in the Madison County circuit court.

The complaint alleges that on July 11, 1963, Shemwell ran his car off Bypass 66 and struck Paul's service truck and gasoline pumps. He seeks \$302 for damage to the truck, \$350 for the loss of its use for two weeks, \$230 for loss of business while the pumps were out of operation — about 16 hours — and \$135 for storage and towing costs.

Libraries to Close On Christmas Eve

The Granite City public library will close at noon Thursday, Christmas eve, and public libraries in Madison and Venice will be closed all day Thursday. They will not reopen until next Monday morning.

The Venice library held a Christmas party Saturday evening for children from the kindergarten through the fifth grade. Films were shown, games were played and candy was distributed.

Home Lighting Contest Judging Tonight in GC

Judging of the Christmas home lighting contest sponsored jointly by the Granite City Jaycees and the Illinois Power Co., will begin at 7 tonight. It was announced today by Dr. George Rich, chairman.

The names of the winners to share in the \$200 prize money will be announced in Thursday's Press-Record. Identical cash awards will be made to winners in two separate divisions — religious and non-religious. Prizes are: first place, \$20; second place, and \$20 for third.

Church Sues Man Who Hit Traffic Signal

St. Elizabeth's Catholic church of Granite City has filed suit for \$800 against Lacy Ricks in the Madison county circuit court at Edwardsville.

The complaint alleges that on Nov. 9, 1962, an auto driven by Ricks struck and damaged a portable electric traffic signal placed at a school crossing on Pontoon road.

Assault-Battery Charge

James D. Warren, 26, of Sorento, Ill., was arrested by Venice police Thursday afternoon on a charge of assault and battery.

The complaint was signed by Mrs. Loretta Warren, a sister-in-law of 1303 Ohio street, Venice, who told police Warren had beat her about the face. Warren posted \$250 property bond pending a hearing in magistrate's court Dec. 28.

Be a hero — give your family a dishwasher

There's one Christmas gift sure to win raves from the entire family . . . a portable electric dishwasher. Think a minute and you'll know why. The average housewife spends 225 hours a year washing dishes. Is it any wonder she heaves a weary sigh each night after dinner?

Today doing dishes by hand is a needless chore. A portable dishwasher does the job. The whole family gets an extra hour

of togetherness watching TV, playing games, or taking in the early movie for a change.

Here's how easy it is: Put dishes and utensils in the dishwasher . . . add soap or detergent . . . connect hose and electric cord . . . and flip a switch.

Let your appliance dealer give you the full story on a portable dishwasher. He's an expert on turning husbands into heroes.
